Nakusp & Area Community Forest (2013) Inc. (NACFOR) is proposing to extend its' Forest Stewardship Plan (FSP) for the K2S Community Forest Agreement, issued December 14, 2018, with an expiry of December 14, 2023, for an additional period of 4 months to April 14, 2024.

The community forest is currently undergoing a transition to new management, from True North Forestry Consulting to Cabin Resource Management Ltd., effective June 1, 2023, which has delayed the timeline for FSP completion. An extension is required to provide an opportunity for consultation and information sharing with our Indigenous and Community partners and stakeholders.

This notice supports our communication and engagement around the proceedings of the Community Forest K2S license. Information is available during regular working hours (8:30 am to 4:30 pm weekdays) or via a private appointment at the following address and/or by sending your request to [nacfor@cabinworks.ca](mailto:nacfor@cabinworks.ca).
